UCSD Mother, Child & Adolescent HIV Program
150 W. Washington St., San Diego, CA 92103 (619) 543-8080

The UCSD Antiviral Research Center in collaboration with the San Diego County's Public Health Services Agency is offering free, confidential, testing for anyone who thinks they may have been recently exposed to HIV.

The Early Test can detect HIV infection as early as one week after exposure.

To find out where you can take the test, visit <http://theearlytest.ucsd.edu>
Or call 877-323-5050
